

Volunteer to Help Volunteers on The Sierra National Forest

Project Title	Volunteer to Help Volunteers on The Sierra National Forest
Project Summary	There is no I in Team but there is a U in Volunteer. The gift of a volunteer's time on the Sierra National Forest is priceless and the yield is enjoyed for year's to come. We are looking for a motivated person to help organize and add value to our Volunteer Program.
Country	United States

Project Description

Volunteer Intern will work with the Volunteer coordinator to help organize projects, to collect information from program leaders on their volunteer needs, will help to create and join in on projects, will meet with Volunteers to assess their needs, and will help to optimize the volunteer process.
